

Welcome to Kids Week!

July 10-14

We are glad you are with us! Kids week is for children ages 4 through grade 6. Older youth are welcome to assist as helpers. For the safety of all children, we ask that parents sign their child(children) in each morning and out each afternoon at departure time. Be sure that we have an updated list of who can sign out your child. FBCEG T-shirts are for sale for \$5.

What to Bring Each Day:

Children should bring a lunch Monday through Thursday. We will have a cookout on Friday. It is also suggested they have a small "day pack" in which they have a light raincoat should the weather be threatening, sunscreen, bug repellent, hat and water bottle. Please be sure children come to camp with sunscreen already applied. We will provide a healthy snack each morning and a "fun" snack each afternoon. We will have extra water with us on our field trips. If you have not signed up to donate a snack, please check in to see if more are needed.
